Days Left until Redeploy: 80

Commander's Corner

Warlord families and friends,

I am CPT Sarah Brisson, the new Warlord platoon leader. I spent the month of July getting integrated and getting to know the pilots, crew chiefs, and door gunners that make up this incredible company and I could not be more excited to join such a fantastic group of people. I've spent a month with the Warlords now, and I must say they make this job truly enjoyable and very rewarding. With the summer months in full swing we are flying more than ever. It is a daily battle trying to find a crew chief that isn't over his allowable monthly hours. Amazingly though, they still beg and plead to get on the flight board. They haven't quite had enough of this beautiful mountain flying and that motivates us all to remain focused on the mission as we enter our final months in the deployment.

I would like to congratulate SPC Mariuz Sochacki on his tremendous performance at the Soldier of the Month board and at the Promotion Board. He is now able to be promoted to Sergeant and we'll look forward to adding a new non-commissioned officer into our ranks. Congratulations also to Steven Calloway, who was promoted from Private First Class to Specialist on August 1st.

No matter how you're counting down, whether it's by the week, month, or day (here it is reset days, steak nights, or haircuts) we are getting close! I look forward to meeting everyone soon!

Respectfully,
Sarah Brisson

"Air Assault!"

Family Members and the vFRG

The ArmyFRG was created primarily for the Family Members and friends of Soldiers. We know that when your Soldier is far from home, there's no such thing as too much information.

Online tools include:

- Forums
- Telephone Tree
- Video Email
- Photo Gallery

I encourage each of you to register with the vFRG website. As we are deployed, this will be your main source of information surrounding the day to day operations of Charlie company and the progress and success that we are making throughout our deployment. The website will also post our deployment times and dates, along with our redeployment times and dates for each Welcome Home Ceremony when we finally start returning home from Afghanistan.

The vFRG website will be a great source for updates, stories and pictures of Charlie company while we are back here at Fort Drum and while we are deployed to Afghanistan. We will also be posting each newsletter on there if you would like to download them and send them to other Family Members.
